

# Southeast PA Odyssey of the Mind

## Program Book

## Support SEPOM

Odyssey of the Mind teaches students creative problem solving and teamwork skills and generates enthusiasm for learning and creative exploration that will last a lifetime. The Odyssey of the Mind (OotM) program relies on the hard work of volunteers: workers, coaches and judges, as well as the generosity of community members like you to exist. Without the help of those willing to donate their time and money, the program could not grow and thrive as it has, and continue to serve as a creative outlet for students of all ages.

We want all students with an interest in exploring Odyssey of the Mind to be able to participate in the program. Your donation will go directly to the children of the Southeast PA region. Donations help OotM grow and help us with tournament expenses for local teams and scholarships for exceptional students.

Businesses wishing to give may also purchase advertising space in our regional program or inquire about additional sponsorship opportunities. Supporting OotM shows a dedication to education, youth programs, and the community!

**Deadline for Submissions: February 15, 2019**

# Advertising Details

## Pricing

Size	Team	Business	Nonprofit
¼ page	\$30	\$50	\$40
